CLIENT: Alamo
JOB TITLE: Radio Spots
SPOT TITLE: TS12 Stealth Flex-Wing
DATE: 10/8/13

SFX

Music bed that speaks to ranchers, hobby farmers....countryish but not TOO countryish.

AUDIO

ANNCR (MALE, RUGGED SOUNDING): If you've got a small tractor and a lot of land to mow, get the job done with Rhino's TS12 Stealth Flex-Wing.

Built for 35-50 horsepower tractors, the TS12 Stealth gives you a 12 foot cutting width and 1 ½ inch diameter cut capacity.

Use the TS12 Stealth on pastures, waterways, and other grassy areas on your ranch or farm.

DEALER TAG EXAMPLE (4-5 seconds): Check out the TS12 Stealth at Sloan Implement in Assumption!
