

RHINO GOES THE DISTANCE FOR HEALTHY-LOOKING LAWN OR TURF.

Our PG and MPG Series Pluggers have the strength to get deep in the soil, so air and nutrients can get to the roots and improve growth for a more lush lawn or greener turf.

To fix compacted soil, look to our PA Series pasture aerators. The shanks easily lift and break up soil, which helps with water and nutrient intake and can boost soil conditions.

**IF YOU NEED EQUIPMENT THAT GOES THE DISTANCE FOR
YOUR PASTURE/SOD MANAGEMENT JOBS, YOU NEED RHINO.**
