

Hay! It's a Rhino[®].

Handle your hay with Rhino[®] crop-driven rakes and pull-type tedders. With working widths of 3' 10"-33' 5" and operating speeds up to 14 mph, our rakes will get the job done in no time. And our easy-to-use two- and four-rotor tedders make hay drying a breeze.

Attack your fields with the power of a Rhino.
