

SMOOTH

RHINO FLEX-WING

Everything about
the Rhino® 3150,
4150, 4155, and
5150 Flex-Wings
scream smooth.

The distinctive profile of the dome
deck reduces trash buildup and
makes clean up a breeze. The
ruggedly designed Infinity cast
carrier provides superior gearbox
protection in any working condition.

Its RhinoTrax tires add to
the sleek look of the line,
while the lighting system on
the back of each Flex-Wing
keeps it safe on the road
without adding a bulky accessory.
