

# HANDLE HEAVY HAY WITH THE VELOX!

Rhino<sup>®</sup>'s high-performance, crop-driven Velox hay rake features a high-clearance center frame and wheel arms that leave plenty of room for hay in heavy conditions.

It also adapts to changing conditions with simple adjustments for windrow width and working width. Plus, Velox rakes are available in 8-, 10-, or 12-wheel configurations.

 MEMBER OF THE  
ALAMO GROUP  
ALWAYS ON THE CUTTING EDGE.
