**DATE:** 4-18-17

**SUBJECT:** New Product Release

**PRUODUCT BULLETIN:** GR-4-18-17

**PRODUCT:** New Grapple Release – AGR / BRGR / BGR

Greetings,

Rhino has expanded its Grapple Lineup! We have added the AGR "Utility" Grapple, BRGR Heavy Duty Brush Grapple, and BGR Bucket Grapple.

The AGR Grapple is available in 60" or 72" widths. You can select a Skid Steer quick attach, Euro, or John Deere mount. Available colors are Rhino Orange, JD Green, MF Red or Black. The quality you expect from Rhino at a value price.

The Heavy Duty BRGR Brush Grapple fits the needs of even the most demanding consumer. Two hydraulic cylinders mounted on independent dual pronged upper jaws provide substantial gripping force against the reinforced steel lower jaw. The lower jaw feature 1/2" x 9" aggressive teeth (8 on 72" & 10 on 84"). This unit features a universal SS quick attach system that allows hook up to almost any tractor or skid steer.

The Heavy Duty BGR Bucket Grapple combines the ruggedness of a grapple with the flexibility of a bucket. Available in 72" or 84" widths the grapples can be equipped with or without teeth (8 on 72" or 9 on 84"). The BGR is a hybrid workhorse that gives you the power to get the job done!

Regards,

Lyndon Dittus
