LIMITED LOADER WARRANTY - Dimension / Versa X / 100 Series

Alo North America Inc., (hereinafter referred to as Alo North America), warrants each part of the products manufactured by it to be free, under normal use and service, from defects in material and workmanship for a period of **twenty four (24) months** from the date of delivery to the initial purchaser at retail, or six (6) months from the first day of rental.

If it appears during the warranty period, determined from the date of delivery to the original purchaser, that the equipment does not meet the warranty specified above, and purchaser returns the equipment at his expense within the warranty period to his selling dealer for inspection, Alo North America will correct, or authorize its dealer to correct any defect resulting from defective parts or workmanship by replacing the defective part(s). Labor allowances will be considered in instances where a loader component(s) is repaired as an alternative to replacement. Repair costs shall not exceed the replacement cost of the components(s). Upon the expiration of the applicable warranty period, all such liability shall terminate.

This warranty shall not apply to any product or replacement part that has been subject to misuse, negligence or accident, or in which parts not made or supplied by Alo North America are used, if in the sole judgement of Alo North America such use affects its performance, stability or reliability. This warranty shall not apply to any product or replacement part which shall have been altered or repaired outside the manufacturer's factory in a manner which in the sole judgement of Alo North America affects its performance, stability or reliability. Alo North America does not warrant items that require repair or replacement considered to be a result of normal maintenance unless contaminated or damaged by failure of a warranted loader equipment part.

Replacement parts are warranted for a period of ninety (90) days from date of sale. Replacement parts used in warranty repairs are warranted for a period of ninety (90) days or the balance of the equipment warranty period, whichever is longer.

THE FOREGOING IS EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES, WHETHER WRITTEN, ORAL OR IMPLIED (INCLUDING A WARRANTY OF MERCHANTABILITY OR FITNESS FOR PURPOSE), AND SHALL CONSTITUTE THE SOLE LIABILITY OF ALO USA.

Limitation of Liability

Alo North America liability on any claim of any kind, including negligence, for any loss or damage arising out of, connected with or resulting from the order, or from the performance or breach thereof, or from the manufacture, sale, delivery, resale, repair or use of any goods or parts covered by or furnished under an order shall in no case exceed the price applicable to the goods or parts thereof which gives rise to the claim. In no event shall Alo North America be liable for special or consequential damages.
