Lucas Oil Products

Dear Dealer,

In order to provide prompt delivery of Lucas Oil products, RhinoAg has transferred the Lucas Oil parts business to RGT Distribution. Therefore, RhinoAg will no longer stock Lucas Oil products at our Parts Warehouse. RGT gives you access to the full line of Lucas oil products, without any restrictions. Attached you will find the product list complete with a price list from RGT.

RhinoAg continues to Factory fill all Rhino products with Lucas Oil in products and remains part of Team Lucas. We are the primary sponsor of both Lucas Oil Pro Pulling League and Lucas Oil Late Model Dirt series.

If you have any questions regarding this change, please feel free to call RGT directly at 765-435-2726. Ask for Shane Jones or Jacque Hudson, they will be happy to assist you in any way needed.
