Financing Process

Step 1: Send signed/dated credit application & copy of driver's license

Email: agsalessupport@wellsfargo.com

Fax: 800-600-7192

Internet: Online Service Center (Available to dealers that have signed Online Access Agreement & Dealer Agreement)

Step 2: Receive credit decision and request documents

The credit decision will take anywhere from minutes to two hours. Wells Fargo will call and/or email the dealer with a credit decision. At this point, the dealer will let Wells Fargo know that the documents are needed, or will notify Wells Fargo when they are needed.

Step 3: Receive documents and have them signed

At dealer's request, documents will be emailed, faxed or mailed. The documents will be sent to the dealership with sample invoice providing information on any dealer participation so that the dealer understands what is required of them. Customer is required to sign and date wherever their name is listed. Customer must obtain insurance on equipment either through Wells Fargo or their insurance agency.

Step 4: Send paperwork to Wells Fargo and get paid

After Wells Fargo receives the paperwork from you via fax or email or originals (is applicable), the deal will fund either that day or the following business day (depending on the time of day items are received). Wells Fargo will pay you via check sent next-day delivery; if you'd prefer to be signed up for ACH, request the ACH form from your Wells Fargo representative (initial ACH setup will take a week).

Each dealership may complete a dealer agreement and vendor application, which will eliminate the requirement for returning original signed documents.
