Re: Announcement – Lisa Tubbs, RhinoAg / Dixie Chopper President

I am pleased to announce that effective Monday, September 26, Lisa Tubbs will join Alamo Group Inc. to lead the team at RhinoAg and Dixie Chopper in Gibson City, Illinois and Greencastle, Indiana as Operating Company President.

Lisa was most recently the Sr. Director of Operations for Power Stop in Chicago, IL. Prior to that she was with Walmart as GM, Innovation in Chicago and GM, Northeast Regional Distribution Center in Tobyhanna, PA & Smyrna, DE. Lisa held the position of Director, N.A. Operations, Supply chain, Quality and Aftermarket with Gardner Denver Nash (Ingersoll Rand), and was the Director of Regional Supply Chain & Quality Assurance and then the Director, Global Process Innovation & Operation with Dresser-Rand (Siemens) after spending fifteen years in a variety of roles with Caterpillar, to include one year in Seguin, Texas!

Lisa holds a Bachelor of Arts, Management from the University of Illinois, and is certified as a Six Sigma Master Black Belt, Quality/ISO Auditor, and is a APICS Certified Manufacturing Professional having completed courses in Inventory/Supply Chain Management, Purchasing, Project Management and Change Management.

Please join me in welcoming Lisa Tubbs to RhinoAg, Dixie Chopper, and Alamo Group and wishing her great success in her new role with our team!!
